Such "group" grievance must be filed no later than 120 days after the date on which the grievance arose, and all other procedural limits, including time limits, set forth in this Article shall apply.

#### **Section 9.**

If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at **Step III** of the Grievance Procedure; or if a satisfactory **Step III** determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at **Step IV** of the Grievance Procedure.

#### **Section 10.**

If the Employer exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except that only the Union may invoke impartial arbitration under **Step IV**.

#### **Section 11.**

The Employer shall notify the Union in writing of all grievances filed by Employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

#### **Section 12.**

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

#### **Section 13.**

A non-Mayoral agency not covered by this Agreement but which employs Employees in titles identical to those covered by this Agreement may elect to permit the Union to appeal an unsatisfactory determination received at the last step of its Grievance Procedure prior to arbitration on fiscal matters only to the Commissioner of Labor Relations. If such election is made, the Union shall present its appeal to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the last step determination. The Union shall submit copies of the grievance filings at the prior steps of its Grievance Procedure and any agency responses thereto. Copies of such appeals shall be sent to the agency head. The Commissioner of Labor Relations, or the Commissioner's designee, shall review all such appeals and answer all such appeals within fifteen (15) working days. An appeal from a determination of the Commissioner of Labor Relations may be taken to arbitration under procedures, if any, applicable to the non-Mayoral agency involved.

#### **Section 14.**

The grievance and the arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

#### **Section 15. Expedited Arbitration Procedure**

- a. The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of grievances as set forth below.

- b. The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.
- c. The selection of those matters which will be submitted shall include, but not be limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. The following procedures shall apply:

**i. SELECTION AND SCHEDULING OF CASES:**

- (1) The Deputy Chairperson for Disputes of the Office of Collective Bargaining shall propose which cases shall be subject to the procedures set forth in this Section 14 and notify the parties of proposed hearing dates for such cases.
- (2) The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) to raise any objections thereto.
- (3) If a case is not proposed by the Deputy Chairperson for expedited handling, either party may, at any time prior to the scheduling of an arbitration hearing date for such case, request in writing to the other party and to the Deputy Chairperson of Disputes of the Office of Collective Bargaining that said case be submitted to the expedited procedure. The party receiving such request shall have ten business days from the receipt of the request to raise any objections thereto.
- (4) No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.

**ii. CONDUCT OF HEARINGS:**

- (1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.
- (2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent good cause shown.

03014

- (3) The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.
- (4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.
- (5) Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.
- (6) The parties shall, whenever possible, exchange any documents intended to be offered in evidence at least one week in advance of the first hearing date and shall endeavor to stipulate to the issue in advance of the hearing date.

These issues can be discussed in the Labor Management Committee provided in Article XIV.

Where deemed necessary, said committees may make recommendations to the appropriate City officials.

#### **ARTICLE IX - BULLETIN BOARDS: EMPLOYER FACILITIES**

### Longevity Increment Eligibility Rules

The following rules shall govern the eligibility of Employees for the longevity increments provided for in Article III, Section 9, of the 2006-2008 Principal Administrative Associates, et al. agreement:

1. Only service in pay status shall be used to calculate the 15 years of service, except that for other than full time per annum Employees only a continuous year of service in pay status shall be used to calculate the 15 years of service. A continuous year of service shall be a full year of service without a break of more than 31 days. Where the regular and customary work year for a title is less than a twelve month year such as a school year, such regular and customary year shall be credited as a continuous year of service counting towards the 15 years of service. If the normal work year for an Employee is less than the regular and customary work year for the employee's title, it shall be counted as a continuous year of service if the Employee has customarily worked that length of work year and the applicable agency verifies that information.
2. Service in pay status prior to any breaks in service of more than one year shall not be used to calculate the 15 years of service. Where an Employee has less than seven years of continuous service in pay status, breaks in service of less than one year shall be aggregated. Where breaks in service aggregate to more than one year they shall be treated as a break in service of more than one year and the service prior to such breaks and the aggregated breaks shall not be used to calculate the 15 years of service. No break used to disqualify service shall be used more than once.
3. The following time in which an Employee is not in pay status shall not constitute a break in service as specified in the paragraph 2 above.
  - a. Time on a leave approved by the proper authority which is consistent with the **Rules and Regulations of the New York City Personnel Director** or the appropriate personnel authority of a covered organization.
  - b. Time prior to reinstatement.
  - c. Time on a preferred list pursuant to **Civil Service Law Sections 80 and 81** or any similar contractual provision.
  - d. Time not in pay status of 31 days or less.

Notwithstanding the above, such time as specified in subsections a, b, and c above shall not be used to calculate the 15 years of service.

4. Once an Employee has completed the 15 years of "City" service in pay status and is eligible to receive the \$925 longevity increment, the \$925 shall become part of the Employee's base rate for all purposes except as provided in paragraph 5 below.
5. The \$925 longevity increment shall not become pensionable until 15 months after the Employee becomes eligible to receive such \$925 increment. Fifteen months after the Employee becomes eligible to receive the \$925 longevity increment, such \$925 longevity increment shall become pensionable, and as part of the Employee's base rate, shall be subject to the general increase provided in Article III, Section 3, of this **Agreement**.

## **Appendix B**

### **Guidelines on Merit Increases for Sub-Managerial Employees**

In awarding merit increases to sub-managerial Employees, agency heads must adhere to the following guidelines:

1. An increase in duties within a title ordinarily shall not be considered the basis for a merit adjustment. If the increase in duties is significant, the position should be reevaluated to a higher level.
2. Only one merit adjustment or provisional promotion can be granted to an Employee within any twelve month period.
3. Merit adjustment must be limited to Employees with above-average ratings on their annual performance evaluations. A copy of the performance evaluation must be submitted to the Department of Personnel and the Mayor's Office with the Monthly Planned Action Report.
4. Merit adjustment can be made up to a maximum of 7% of the Employee's base salary. In no case can the merit adjustments increase the Employee's salary beyond the maximum established for the title and/or level.
5. The following shall be criteria for the granting of merit increases:
  - a. outstanding productivity in the work assigned;
  - b. outstanding performance in the work assigned;
  - c. outstanding initiative and resourcefulness;
6. The following shall be the procedure for the granting of merit increases:

The agency head shall notify the Union in writing of the name of those selected to receive merit increases prior to approval by the Mayor or his authorized representative. It is expressly understood that such notification to the union shall in no way interfere with the processing and implementation of the merit increases already proposed.

## **Appendix C**

### **Separation of Income Support from Social Service in the Department of Social Services**

The City's right to reorganize the Department by separating income support functions from social service functions in the Department and the Union's right to negotiate with the City on questions concerning the practical impact that such separation has upon employees, such as workload or manning, are hereby recognized. In consideration for the Union's promise of full cooperation in the City's plan for an immediate and accelerated separation of income support functions from social service functions in the Department and for the increased productivity which will result therefrom, the parties agree to the provisions as set forth in paragraph a., below, and Article III, Sections 7.b. and 10. 3) B.

- a. In an *Income Support* unit resultant from the separation of functions described hereinabove, any vacancy for which the job duties have remained substantially unchanged, which was formerly held by an Employee in the Principal Administrative Associate or predecessor title and which the Employer decides to fill shall be filled by an Employee in the Principal Administrative Associate or predecessor title.

## Appendix D

The following rules shall govern the eligibility of Employees for the Recurring Increment Payment (RIP) provided for in Article III, Section 14 of the 2006-2008 Local 1180 Unit Agreement.

1. Only service in pay status shall be used to calculate the qualifying years of service. A continuous year of service shall be a full year of service without a break of more than 31 days. Where the regular and customary work year for a title is less than a twelve month year, such as a school year, such regular and customary year shall be credited as a continuous year of service counting towards the qualifying years of service. If the normal work year for an employee is less than the regular and customary work year for the employee's title, it shall be counted as a continuous year of service if the Employee has customarily worked that length work year and the applicable agency verifies that information.

2. Part-time Employees shall be ineligible to receive RIPs, but prior part-time service shall be credited to full-time employees on a pro rata basis, provided all other terms and conditions set forth herein are met.

a. An Employee must have regularly worked at least one half the regular hours of full time Employees in the same title or if no full-time equivalent title exists then at least 17-1/2 hours for white collar positions or 20 hours for blue collar positions.

b. Such part time service shall be prorated by dividing the number of hours worked per week by a part-time Employee by the number of hours worked per week by a full-time employee in the same title. If no full-time equivalent title exists then the divisor shall be 35 hours for white collar positions or 40 hours for blue collar positions.

3. Service in pay status prior to a break in service of more than one year shall **not** be used to calculate the qualifying years of service.

4. The following time in which an Employee is not in pay status shall not constitute a break in service, but such time shall **not** be used to calculate the qualifying years of service:

a. time on a leave approved by the proper authority which is consistent with the Personnel Rules and Regulations of the City of New York or the appropriate personnel authority of a covered organization,

b. time prior to a reinstatement,

c. time on a preferred or recall list, and

d. time not in pay status of 31 days or less.

5. RIPs shall be considered a salary adjustment for the purposes of Article III, Section 1 (d) of this Agreement and the maximum salary of an eligible title shall not constitute a bar to the payment

thereof.

**6.** Once an Employee has qualified for a RIP and is receiving it, the RIP shall become part of the Employee's base rate and included in calculating all salary-based payments, except as provided in paragraph 7 below. Any future negotiated general increases shall be applied to RIPs.

**7.** A RIP shall not become pensionable until two years after the Employee begins to receive such RIP.

Dear Mr. Diesso and Mr. Cheliotas:

Pursuant to law, reassignments from a lower level to a higher level are recognized as a managerial prerogative. It is understood that the posting requirements set forth in Article X, Section 1.a. and b., of this Agreement are applicable to positions being filled pursuant to this letter.

However, if an employee covered by this Agreement feels aggrieved by a decision under this letter, the employee and/or the union shall present the complaint in writing to the agency head or the agency head's designee, who has not been a party to the previous decision, within fifteen (15) days of the action complained of.

Dear Mr. Cheliotas:

**Re: 2006-2008 Local 1180 Agreement**

Dear Mr. Cheliotas:

This is to confirm certain mutual understandings and agreements regarding the above captioned Agreement.

**Transit Check**

The parties agree that the City will expand the current Transit Check program to offer to eligible employees the ability to purchase a Transit Debit Card through payroll deductions in accordance with IRC Section 132. In addition to the current MTA Surface and Subway lines, the Transit Debit Card may be used to purchase tickets for mass transit commutation only (i.e. LIRR, LI MTA Buses, MetroNorth). The administrative fee for this benefit will be borne by the participants and will be deducted on a prorated basis from the participating employee's paycheck. After one year of experience with this benefit, the City will examine the level of participation and the associated costs of providing this benefit to determine whether or not the administrative fee requires adjustment.

The parties further agree to examine the possible expansion of this benefit to include other regional mass transit carriers.

**Residency**

The parties agree to support an amendment to Section 12-119 et seq. of the Administrative Code for the purpose of expanding permissible limits on residency to include the City of New York and Nassau, Westchester, Suffolk, Orange, Rockland or Putnam counties – with certain exceptions and limitations and except as may be prohibited by any other law requiring residency for appointment to

03013

certain positions including, but not limited to, the Public Officers Law – for employees covered by the terms of this Agreement.

Consistent with the above, Mayoral Directive 78-13, as amended July 26, 1978, and any other covered Employer's rules, regulations and/or operating procedures, shall be similarly modified to conform to the understanding of the parties. Upon enactment of legislation to implement the provisions herein, employees shall be subject to Section 1127 of the New York City Charter.

### **Labor Management Committee on Pension Issues**

There shall be a joint Labor Management Committee on Pensions with the appropriate parties. The committee shall analyze the actual costs and additional contribution rate(s) for members of the New York City Employees' Retirement System (NYCERS) and the Board of Education Retirement System (BERS) associated with Chapter 96 of the Laws of 1995. Such analysis shall be based on, among other factors, the actual number of people who elected to participate under the provisions of said Chapter 96 of the Laws of 1995 as of September 26, 1995. The committee shall make recommendations regarding the establishment of revised additional contribution rate(s) and other remedies it deems appropriate so as to reflect the actual cost to members of NYCERS and BERS. Regardless of the comparison of actual costs to additional contributions for members of NYCERS and BERS, there shall be no adjustment to contributions under Chapter 96 without first considering the contributions by the employer to NYCERS and BERS on behalf of all employees, and the comparison of those contributions to actual costs.

The appropriate parties further agree to discuss the following issues:

- Chapter 96 Reopener
- Chapter 96 Escape
- Age and Vesting Requirements
- Member Contribution Amounts and Duration
- Benefit Formula Changes
- Service Credits
- Any other areas the parties mutually agree to

### **Continuation of Certain Health Benefits**

The parties acknowledge that collective bargaining regarding health benefits is within the purview of negotiations between the Municipal Labor Committee and the City. Cost-containment initiatives in the City Health Benefits Program shall be discussed with the Municipal Labor Committee.

### **Salary Review Panel**

A Salary Review Panel shall be established to review selected titles and occupational groups to determine whether or not salary adjustments or other compensation modifications appear to be indicated and, based on their findings, to make such recommendations as are appropriate. The Panel Procedures shall be set forth in a letter agreement. The parties further agree that no recommendation

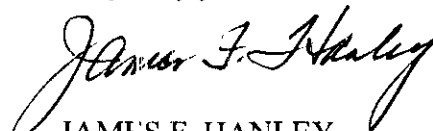

for salary modifications and/or other adjustments shall be implemented unless and until the parties have agreed on the source(s) of funding.

**Performance Compensation Procedures**

The Letter Agreement between the City of New York and District Council 37 regarding such criteria and procedures insofar as they relate to the City of New York's "Performance Compensation Procedures" shall apply.

If the above accords with your understanding, please execute the signature line provided below.

**Re: 2006-2008 CWA, Local 1180 Agreement**

Dear Mr. Cheliotas:

This is to confirm certain mutual understandings and agreements regarding the above captioned Agreement.

As set forth in the 2006-2008 Agreement, the parties agree to establish the "Salary Review Panel" ("Panel").

Composition of the Panel

The Salary Review Panel shall consist of a member appointed by the Union, a member appointed by the City, and a neutral selected by the parties or such other arrangement as may be mutually acceptable to the parties.

Goals and Objectives

A Salary Review Panel shall be established to review selected titles and occupational groups to determine whether or not salary adjustments or other compensation modifications appear to be indicated and, based on their findings, to make such recommendations as are appropriate.

113013

## Criteria

The criteria to be used to determine the title(s) and/or occupational group(s) to be reviewed for such adjustments or modifications shall include the following:

1. Titles/occupational groups whose work was previously contracted out but is currently being performed by City employees.
2. Titles/occupational groups which perform revenue-producing and/or cost-containment functions.
3. Titles whose duties have evolved to require substantial additional skills and/or responsibilities.
4. Titles/occupational groups whose salary and/or total compensation benefits may not compare favorably vis-à-vis other public sector and/or private sector jurisdictions.

Notwithstanding the above, any other criteria that the parties may mutually agree upon may be considered by the Panel.

The parties mutually agree that any review undertaken by the Panel shall, where appropriate, include an analysis of the "total compensation" of a title. Total compensation includes wages and other salary-related benefits; time and leave benefits; health insurance; welfare fund benefits; pension benefits; and such other areas that are typically considered by the parties.

Written applications are to be submitted to the Panel within 120 days of the ratification of this Agreement unless the parties mutually agree to an extension. Applications submitted to the Panel must contain detailed information regarding the basis for the claim. Determinations and/or recommendations of the Panel shall not be grievable, arbitrable or otherwise reviewable in any other forum.

The parties further agree that no recommendation for salary modifications and/or other adjustments shall be implemented unless and until the parties have agreed on the source(s) of funding.

If the above accords with your understanding, kindly execute the signature line provided below.

Very truly yours,

For all grievances as defined in Section 1(c), no monetary award shall in any event cover any period prior to the date of the filing of the **STEP I** grievance unless such grievance has been filed within thirty (30) days of the assignment to alleged out-of-title work. No monetary award for a grievance alleging a miscalculation of salary rate resulting in a payroll error of a continuing nature shall be issued unless such grievance has been filed within the time limitation set forth in **STEP I** below for such grievances; if the grievance is so filed, any monetary award shall in any event cover only the period up to six years prior to the date of the filing of the grievance.

**STEP I**      The Employee and/or the Union shall present the grievance in the form of a memorandum to the person designated for such purpose by the agency head no later than 120 days after the date on which the grievance arose except that grievances alleging a miscalculation of salary rate resulting in a payroll error of a continuing nature shall be presented no later than 120 days after the first date on which the grievant discovered the payroll error. The Employee may also request an appointment to discuss the grievance and such request shall be granted.

The person designated by the Employer to hear the grievance shall take any steps necessary to a proper disposition of the grievance and shall issue a determination in writing by the end of the third work day following the date of submission.

*The following STEP II(a) shall be applicable only in the Health and Hospitals Corporation in the case of grievances arising under Section 1(a) through 1(c) of this Article and shall be applied prior to Step II of this Section:*

**STEP I (a)**      An appeal from an unsatisfactory determination at **STEP I** shall be presented in writing to the person designated by the agency head for such purpose. An appeal must be made within five (5) work days of the receipt of the **STEP I** determination. A copy of the grievance appeal shall be sent to the person who initially passed upon the grievance. The person designated to receive the appeal at

this **STEP I** shall meet with the Employee and/or the Union for review of the grievance and shall issue a determination to the Employee and/or the Union by the end of the fifth work day following the day on which the appeal was filed.

**STEP II** An appeal from an unsatisfactory determination at **STEP I** or **STEP I(a)**, where applicable, shall be presented in writing to the agency head or the agency head's designated representative who shall not be the same person designated in **STEP I**. An appeal must be made within five (5) work days of the receipt of the **STEP I** or **STEP I(a)** determination. The agency head or designated representative, if any, shall meet with the Employee and/or the Union for review of the grievance and shall issue a determination in writing by the end of the tenth work day following the date on which the appeal was filed.

**STEP III** An appeal from an unsatisfactory determination at **STEP II** shall be presented by the Employee and/or the Union to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the **STEP II** determination. The grievant or the Union should submit copies of the **STEP I** and **STEP II** grievance filings and any agency responses thereto. Copies of such appeal shall be sent to the agency head. The Commissioner of Labor Relations or the Commissioner's designee shall review all appeals from **STEP II** determinations and shall issue a determination on such appeals within fifteen (15) work days following the date on which the appeal was filed.

**STEP IV** An appeal from an unsatisfactory determination at **STEP III** may be brought solely by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) work days of receipt of the **STEP III** determination. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance." The Employer shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accordance with the Title 61 of the Rules of the City Of New York. The costs and fees of such arbitration shall be borne equally by the Union and the Employer.

The arbitrator's decision, order or award (if any) shall be limited to the application and interpretation of the Agreement, and the arbitrator shall not add to, subtract from or modify the Agreement. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth above and any applicable limitations of law.

### **Section 3.**

As a condition to the right of the Union to invoke impartial arbitration set forth in this Article, including the arbitration of a grievance involving a claimed improper holding of an open-competitive rather than a promotional examination, the Employee or Employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of such Employee(s) and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

#### **Section 4.**

- a. Any grievance under Section l(d) relating to a claimed improper holding of an open-competitive rather than a promotional examination shall be presented in writing by the Employee or the Union representative to the Commissioner of Labor Relations not later than thirty (30) days after the notice of the intention to conduct such open-competitive examination, or copy of the appointing officer's request for such open-competitive examination, as the case may be, has been posted in accordance with Section 51 of the Civil Service Law. The grievance shall be considered and passed upon within ten (10) days after its presentation. The determination shall be in writing, copies of which shall be transmitted to both parties to the grievance upon issuance.
- b. A grievance relating to the use of an open-competitive rather than a promotional examination which is unresolved by the Commissioner of Labor Relations may be brought to impartial arbitration as provided in Sections 2 and 3 above. Such a grievance shall be presented by the Union, in writing, for arbitration within 15 days of the presentation of such grievance to the Commissioner of Labor Relations, and the arbitrator shall decide such grievance within 75 days of its presentation to the arbitrator. The party requesting such arbitration shall send a copy of such request to the other party. The costs and fees of such arbitration shall be borne equally by the Employer and the Union.

#### **Section 5. Disciplinary Procedures for Permanent Competitive Employees**

In any case involving a grievance under Section l(e) of this Article, the following procedure shall govern upon service of written charges of incompetence or misconduct:

- STEP A** Following the service of written charges, a conference with such Employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at **STEP I** of the Grievance Procedure set forth in this Agreement. The Employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference. If the Employee is satisfied with the determination in **STEP A** above, the Employee may choose to accept such determination as an alternative to and in lieu of a determination made pursuant to the procedures provided for in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As a condition of accepting such determination, the Employee shall sign a waiver of the Employee's right to the procedures available to him or her under Sections 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation.
- STEP B (i)** If the Employee is not satisfied with the determination at **STEP A** above then the Employer shall proceed in accordance with the disciplinary procedures set forth in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As an alternative, the Union with the consent of the Employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement, including the right to proceed to binding arbitration pursuant to **STEP IV** of such Grievance Procedure. As a condition for submitting the matter to the Grievance

Procedure the Employee and the Union shall file a written waiver of the right to utilize the procedures available to the Employee pursuant to Sections 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation or any other administrative or judicial tribunal, except for the purpose of enforcing an arbitrator's award, if any. Notwithstanding such waiver, the period of an Employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

**STEP B (ii)** If the election is made to proceed pursuant to the Grievance Procedure, an appeal from the determination of **STEP A** above, shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the Employee and the Union for review of the grievance and shall issue a determination to the Employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused Employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip **STEP C** of this Section and proceed directly to **STEP D**.

**STEP C** If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) work days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

**STEP D** If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in **STEP IV** of the Grievance Procedure set forth in this Agreement.

#### **Section 6. Disciplinary Procedure for Provisional Employees**

In any case involving a grievance under Section 1(g) of this Article, the following procedure shall govern upon service of written charges of incompetence or misconduct:

**STEP A** Following the service of written charges, a conference with such Employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at **STEP I** of the Grievance Procedure set forth in this Agreement. The Employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

**STEP B (i)** If the Employee is not satisfied with the determination at **STEP A** above, then the Employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement through **STEP III**. The Union, with the consent of the Employee, shall have the right to proceed to binding arbitration pursuant to **STEP IV** of such Grievance

Procedure. The period of an Employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

**STEP B (ii)** An appeal from the determination of **STEP A** above shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of the determination. The agency head or designated representative shall meet with the Employee and the Union for review of the grievance and shall issue a determination to the Employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused Employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip **STEP C** of this Section and proceed directly to **STEP D**.

**STEP C** If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

**STEP D** If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in **STEP IV** of the Grievance Procedure set forth in this Agreement.

#### **Section 7.**

A grievance concerning a large number of Employees and which concerns a claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement may be filed directly at **STEP III** of the grievance procedure except that a grievance concerning Employees of the Health and Hospitals Corporation may be filed directly at **STEP II** of the grievance procedure. Such "group" grievance must be filed no later than 120 days after the date on which the grievance arose, and all other procedural limits, including time limits, set forth in this Article shall apply. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance.

#### **Section 8.**

If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at **STEP III** of the Grievance Procedure; or if a satisfactory **STEP III** determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at **STEP IV** of the Grievance Procedure.

#### **Section 9.**

If the Employer exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except that only the Union may invoke impartial arbitration under **STEP IV**.

### **Section 10.**

The Employer shall notify the Union in writing of all grievances filed by Employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

### **Section 11.**

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

### **Section 12.**

A non-Mayoral agency not covered by this Agreement but which employs Employees in titles identical to those covered by this Agreement may elect to permit the Union to appeal an unsatisfactory determination received at the last step of its Grievance Procedure prior to arbitration on fiscal matters only to the Commissioner of Labor Relations. If such election is made, the Union shall present its appeal to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the last step determination. The Union should submit copies of the grievance filings at the prior steps of its Grievance Procedure and any agency responses thereto. Copies of such appeals shall be sent to the agency head. The Commissioner of Labor Relations, or the Commissioner's designee, shall review all such appeals and answer all such appeals within fifteen (15) work days. An appeal from a determination of the Commissioner of Labor Relations may be taken to arbitration under procedures, if any, applicable to the non-Mayoral agency involved.

### **Section 13.**

The grievance and the arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

### **Section 14. Expedited Arbitration Procedure.**

- a. The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of grievances as set forth below.
- b. The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.
- c. The selection of those matters which will be submitted shall include, but not limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. - (2) The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) to raise any objections thereto.
- (3) If a case is not proposed by the Deputy Chairperson for expedited handling, either party may, at any time prior to the scheduling of an arbitration hearing date for such case, request in writing to the other party and to the Deputy Chairperson of Disputes of the Office of Collective Bargaining that said case be submitted to the expedited procedure. The party receiving such request shall have ten business days from the receipt of the request to raise any objections thereto.
- (4) No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.

**ii. CONDUCT OF HEARINGS:**

- (1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.
- (2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent good cause shown.
- (3) The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.
- (4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.
- (5) Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.

### **Longevity Increment Eligibility Rules**

The following rules shall govern the eligibility of employees for the longevity increments provided for in Article III, Section 9 of the 2005-2008 Motor Vehicle Operators Agreement:

- 1.** Only service in pay status shall be used to calculate the 15 years of service, except that for other than full time per annum Employees only a continuous year of service in pay status shall be used to calculate the 15 years of service. A continuous year of service shall be a full year of service without a break of more than 31 days. Where the regular and customary work year for a title is less than a twelve month year, such as a school year, such regular and customary year shall be credited as a continuous year of service counting towards the 15 years of service. If the normal work year for an Employee is less than the regular and customary work year for the Employee's title, it shall be counted as a continuous year of service if the Employee has customarily worked that length work year and the applicable agency verifies that information.
- 2.** Service in pay status prior to any breaks in service of more than one year shall not be used to calculate the 15 years of service. Where an Employee has less than seven years of continuous service in pay status, breaks in service of less than one year shall be aggregated. Where breaks in service aggregate to more than one year they shall be treated as a break in service of more than one year and the service prior to such breaks and the aggregated breaks shall not be used to calculate the 15 years of service. No break used to disqualify service shall be used more than once.
- 3.** The following time in which an Employee is not in pay status shall not constitute a break in service as specified in paragraph 2 above:
  - a.** Time on a leave approved by the proper authority which is consistent with the Rules and Regulations of the New York City Personnel Director or the appropriate personnel authority of a covered organization.
  - b.** Time prior to a reinstatement.
  - c.** Time on a preferred list pursuant to Civil Service Law Sections 80 and 81 or any similar contractual provision.
  - d.** Time not in pay status of 31 days or less.

Notwithstanding the above, such time as specified in subsections a, b and c above shall not be used to calculate the 15 years of service.

4. Once an Employee has completed the 15 years of "City" service in pay status and is eligible to receive the \$800 longevity increment, the \$800 shall become part of the Employee's base rate for all purposes except as provided in paragraph 5 below.
5. The \$800 longevity increment shall not become pensionable until fifteen months after the employee begins to receive such \$800 increment. Fifteen months after the Employee begins to receive the \$800 longevity increment, such \$800 longevity increment shall become pensionable and as part of the Employee's base rate, the \$800 longevity increment shall be subject to the general increases provided in Article III, Section 4a of this Agreement.

## Appendix B

The following rules shall govern the eligibility of Employees for the Recurring Increment Payment ("RIP") provided for in Article III, Section 11 of the 2005-2008 Motor Vehicle Operators Agreement.

1. Only service in pay status shall be used to calculate the qualifying years of service. A continuous year of service shall be a full year of service without a break of more than 31 days. If the normal work year for an Employee is less than the regular and customary work year for the Employee's title, it shall be counted as a continuous year of service if the Employee has customarily worked that length work year and the applicable agency verifies that information.
2. Part-time Employees shall be ineligible to receive RIPs, but prior part-time service shall be credited to full-time Employees on a pro rata basis, provided all other terms and conditions set forth herein are met.
  - a. An Employee must have regularly worked at least one half the regular hours of full time Employees in the same title or if no full-time equivalent title exists then at least 17 1/2 hours for white collar positions or 20 hours for blue collar positions.
  - b. Such part time service shall be prorated by dividing the number of hours worked per week by a part-time Employee by the number of hours worked per week by a full-time Employee in the same title. If no full-time equivalent title exists then the divisor shall be 35 hours for white collar positions or 40 hours for blue collar positions.
3. Service in pay status prior to a break in service of more than one year shall not be used to calculate the qualifying years of service.
4. The following time in which an Employee is not in pay status shall not constitute a break in service, but such time shall not be used to calculate the qualifying years of service.
  - a. time on a leave approved by the proper authority which is consistent with the Personnel Rules and Regulations of the City of New York or the appropriate personnel authority of a covered organization.
  - b. time prior to a reinstatement.
  - c. time on a preferred or recall list, and
  - d. Time not in pay status of 31 days or less.

5. RIPS shall be considered a salary adjustment for the purposes of Article III, Section 1 (d) of this Agreement and the maximum salary of an eligible title shall not constitute a bar to the payment thereof.
6. Once an Employee has qualified for a RIP and is receiving it, the RIP shall become part of the Employee's base rate and included in calculating all salary based payments, except as provided in paragraph 7 below. Any future negotiated general increases shall be applied to RIPs.
7. A RIP shall not become pensionable until two years after the Employee begins to receive such RIP.
